Overview

Our annual mission trip to the Dominican Republic is the perfect missions experience whether this is your first mission trip or if you've been on several. We'll spend the week working at a local One Child Hope Center in Santiago that Freedom Church partners with and many of our attendees sponsor children at. You'll have a chance to learn all about the work One Child is doing in the D.R. and get to spend time pouring into the kids and the staff of the Hope Center.

Immunizations

Freedom Church does not require any certain vaccines, nor can we offer official medical advice. It is up each traveler to seek medical advice through their primary care physician or a travel health clinic and determine any vaccines needed.

The US Centers for Disease Control recommends being up to date on your routine vaccines such as the flu shot and the measles-mumps-rubella (MMR) vaccine. Additionally, they suggest vaccination for Hepatitis A and B, and typhoid, and taking medication to prevent malaria.

Refunds & Cancellation

Up until April 7th, 60 days prior to the trip, any donations may be returned to the original donor in the event that a participant is unable to go on the trip, or held by Freedom Church and transferred to a future trip. After June 14th, we cannot issue any refunds, as plane tickets will be purchased and our full, non-refundable payment is due to One Child at that time.
